## Y. W. C. A. TO BE FRIENDLY HOME FOR ALL WOMEN

Thankfulness and Friendliness  
Are Voiced in Opening Dedication Service

Most impressive were the dedication exercises held yesterday afternoon by the Young Women's Christian Association in honor of the new building on Hotel and Alakea streets.

Though the hour of starting was set for 3:30 o'clock, the crowd began to gather early in the afternoon in order to have a look at the new headquarters before the beginning of the exercises.

Mrs. B. F. Dillingham, honorary president, and Mrs. W. F. Frear, president, led the dedicatory services, assisted by local and visiting officers of the association, and by ministers of the city.

Mrs. Frear read words of thanksgiving in opening the service. She was followed by the audience singing "The Church's One Foundation," and after the song ended Rev. Canon Ault of St. Andrew's Cathedral read Psalm 103. Another song by the audience, "Lord of All Being Throned Afar," and pastor David C. Peters led in prayer, giving thanks for the blessings that have come to the association and for the good work which the association is doing.

Miss Helen M. A. Taylor of the national board spoke following the next hymn. She outlined briefly the history of houses of worship from ancient times to modern, and said that people are coming to feel that God may be worshiped not only in such places, but everywhere. Also, God must be served, and with the changing conditions of modern life the women of today are finding ways of service unknown to their grandmothers.

One of the methods of service is in caring for the poor and friendless, and the new building is to be a home for such girls. It is to be a resort for the happy and unhappy, where young women, old women and girls can come to share their joys and give each other mutual service.

After Miss Taylor had finished, Mrs. B. F. Dillingham read the closing part of the dedication service, the people joining in the response. Dr. Doremus Scudder offered the prayer of dedication, the audience sang "Lead On, O King Eternal," and L. L. Loofbourrow offered the benediction.

## C. E. FOUNDER GIVEN ALOHA BY HUNDREDS

To meet and hear Dr. Francis E. Clark, founder of the Christian Endeavor Society, who, with Mrs. Clark, is visiting in Honolulu, hundreds of members of the local organization and friends of the movement gathered in Kawaiahaeo church last night in an enthusiastic rally. The program consisted of several splendid musical numbers and an address by Doctor Clark, who appeared in public for the first time in seven months, illness having prevented his speaking during that time.

Musical numbers by the choirs of Kawaiahaeo, the Kaulani girls' home, the Kamehameha manual school and the Young People's League were pleasing features of the program. The congregational singing was led by Henry Kaeo. Rev. J. P. Erdman asked a blessing, after which Doctor Clark was introduced by Rev. Akaike Akana.

Doctor Clark began his address by telling how, 30 years ago, when he made his first visit here, he had addressed the Christian Endeavor Society in old Kawaiahaeo. He called attention to the approaching 35th anniversary of the founding of the Christian Endeavor, which will be observed by more than four million members of the great movement.

## INMATES ELECT NEW BOARD TO GOVERN IN OAHU PENITENTIARY

Men of various nationalities were chosen by the inmates of Oahu prison at a New Year's election to serve on an executive committee which manages affairs in the prison to a large extent. Seven committeemen of seven nationalities were chosen, each by his fellow countrymen, and one committeeman at large was chosen. The rest of the committee is made up of men appointed by High Sheriff Jarrett.

Presiding the election, candidates made some box orations in their own favor. The executive committee is the governing body of the prison, with Sheriff Jarrett as the high court of appeal.

Baseball and volley ball were played New Year's afternoon and in the evening a vaudeville show was given.

## GAS, HEARTBURN, INDIGESTION OR A SICK STOMACH

"Pape's Diapepsin" Ends All  
Stomach Distress in Five  
Minutes

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home—adv.

## HANDSOME LIGHT EFFECTS AT NEW Y. W. BUILDING

The handsome lighting effects of the new Y. W. C. A. building at Hotel and Alakea streets were much admired at the opening last night. The whole installation was designed and arranged by the Hawaiian Electric Company. It includes the following:

Lobby or reception hall—Five Moran & Hastings semi-indirect fixtures with alabaster glass bowl and the metal work finished in statuary bronze. Each fixture contains three 40-watt Westinghouse Mazda lamps, giving a total illumination of 600 watts.

Auditorium (upstairs)—Four Beardslee semi-indirect fixtures consisting of a white glass, acorn-shaped bowl with Grecian decoration. The metal parts are finished in brushed brass and each fixture is supplied with a 500-watt, Type C, Westinghouse, Mazda lamp; the Type C lamp familiarly known as the nitrogen lamp because the bulb is filled with nitrogen gas, the highest development of the Mazda lamp. It is remarkable for its efficiency, and for the clear, soft light which it disseminates when properly enclosed in a suitable fixture.

The total illumination in this room is 1600 watts, or over 2500 candle-power.
